DATE: February 21, 1995

TO: Mr. John McDonald ✓

FROM: M. Winokur

SUBJECT: ISO requirements

STATUS:

Number of pages including cover: 2

=====

John:

Thank you for your offer to help on the ISO project. Here is a brief recap of the information we need from each of the "Participating" countries, i.e., voting members of the ISO Technical Committee. You may hear that Canada is not a P but rather only an O or "Observer" country at this time. However, we understand that Canada wants to become a P member and will likely obtain P status shortly.

Kind regards,

2065518362
