

## LIST OF EXHIBITS INTRODUCED DURING THE BLAIS-LÉTOURNEAU TRIAL

### SET 4: THE "40,000" SERIES OF JTI-MACDONALD, INC.

This is an UNOFFICIAL list of exhibits produced during the Blais and Létourneau tobacco class action suits.

As a general rule, all exhibits introduced as part of the proof of JTI-Macdonald were assigned a number in the 40,000 series.

Availability of documents on the trial database (<https://tobacco.visard.ca>), it is indicated in second column. Documents may be missing because they were not entered into the database, because they are confidential documents, because they were withdrawn, because the exhibit number was skipped or for other reasons.

Information on this or other SIPT trial resources can be found by e-mailing [ccallard@aspq.org](mailto:ccallard@aspq.org)
