SMOKING BAN	1
1. The B.C. government recently over-ruled the Workers Compensation Board by rolling-back a new regulation which aimed to protect workers in pubs and restaurants from second-hand smoke by banning smoking in these venues. Do you agree or disagree with the government over-ruling the WCB smoking ban?	1
2. Second-hand cigarette smoke contains cancer-causing chemicals for which there is no safe level of exposure. The WCB regulation would have provided equal protection to all workers from these chemicals, including workers in bars, restaurants, casinos and other hospitality venues. Do you agree or disagree that bar and restaurant workers should receive the same level of protection as other workers in BC from second-hand smoke, even if this inconveniences customers who want to smoke?.....	2
